

MRÁZ

for piano

(2017)

TREVOR BAČA

Under stone, under feather, around the edges of
fruit bristles ice in its tracings until morning. So
small but so bright it is the crystals in night that
give to the frost its serrations. What tracks are
these that back-tread to dreams in grains that arise
and enjamb?

Mráz was written for Jared Redmond who gave
the world premiere on April 19th 2017 in Hertz
Hall on the campus of the University of California,
Berkeley.
